WE THE PEOPLE [LYRICS]

No heaven above
No hell below
Who do you believe
Is running the show?

They talk about everyone
Price-tagging everything
For them, who's worth more:
Musk or Mahatma Gandhi?

Market-shaped education
Media profit-driven
The illusion of freedom
Breeds rats for the race

Who needs who?
We the people
Who needs who?
We see the light
Who needs who?
We the people
Who needs who?

They buy:
Justice
Elections
Media
Smiles
Even salvation—
Then preach meritocracy

I mean, c'mon!

Who needs who?
Who needs who?
Who needs who?
Who needs who?

(Viva Eduardo Marinho!)

The backbone of society—
Stockholm Syndrome
Trades life for a penny
Building life for the rich
(Who needs who?)

Life's short
And you'll be forgotten
(Who needs who?)
So, turn the screen off
And burn the fuc*ing cave!

Who needs who?
We the people
Who needs who?
We see the light
Who needs who?
We the people
We are rewriting the contract

Who needs who?
We the people
Who needs who?
We see the light

Who needs who?
(*This is real*)
We are rewriting the contract

Who needs who?
We the people
Who needs who?
We see the light
Who needs who?
We the people
Who needs who?

Who needs who?
We the people
Who needs who?
We see the light
Who needs who?
We the people
Who needs who?

How do we smack the other cheek: With a fist or a kiss?

FALL FROM GRACE: [LYRICS]

You crushed my defenses
Love-bombed me
Stroked my ego
You called me brother

Then came the favors
Ghost in bad times
Wolf bleating in the field - Let's hunt

Brutus, Judas, Iago
Psychopathic traitor
Liar, cheater, snake
Brutus, Judas, Iago
Psychopathic traitor
You've fallen from grace

Você vai pagar por isso
Essa conta vai sair cara, rapaz
Dorme de olho aberto

Traitor
Your lies won't justify
Traitor
Your kind deserves to die

You stole from me
You took my friends
Used my name
You shattered my faith

You need help
Doctor, priest, police
I can see you deep inside
Ill, broken, exiled

Brutus, Judas, Iago
Psychopathic traitor
Liar, cheater, snake
Brutus, Judas, Iago
Psychopathic traitor
You've fallen from grace

Scar, Fredo, Baelish
Frank, Cypher, Benedict
Silvério dos Reis
Shout your traitor's name

You, yes, you
Shout the traitor's name
That's right

I'll be your pain
When you can't heal

I'll be your noose
When you won't kneel

Brutus, Judas, Iago
Psychopathic traitor
Liar, cheater, snake
Brutus, Judas, Iago
Psychopathic traitor
You've fallen from grace

Brutus, Judas, Iago
Psychopathic traitor
Liar, cheater, snake
Brutus, Judas, Iago
Psychopathic traitor
You've fallen from grace

"O Lord, be gracious to me and raise me up that I may repay them"

An American idiot, Joe?
Picture down south
Shouldering the load
In the master's porn

Bosses change
Places change
Third world chaos
We're still the same (tell'em)

Uh! Revolution (revolution)
Uh! Revolution (revolution)
Uh! Revolution (revolution)
Uh! Revolution (revolution)

Xangô, São Jerônimo, Sumé
Xangô, São Jerônimo, Sumé
Xangô, São Jerônimo, Sumé
Xangô, São Jerônimo, Sumé

The media guides you
Police keeps you safe
Religion redeems you
And the song remains the same
(what a wonderful world)

Pay the bill (slums!)
Modern slave
Eat the crumbs
From your own grave (tell'em)

Uh! Revolution (revolution)
Uh! Revolution (revolution)
Uh! Revolution (revolution)
Uh! Revolution (revolution)

Your enemy
Is not your job
Is not you family
Is not your faith

Your enemy
Is not your job
Is not you family
Is not your faith

It's the leader of puppets
Who sells the police
Buys the judges
The king of democracy

Uh! Revolution (revolution)

Uh! Revolution (revolution)
Uh! Revolution (revolution)
Uh! Revolution (revolution)
Uh! Revolution (revolution - favela)
Uh! Revolution (revolution - rise)

Uh! Revolution (revolution - favela)

In the end Joe, we're still the same

ROSES IN THE WINTER [LYRICS]

I'm not living a lie
I have feelings, too
I'm still in love
(But) also in love with you

The sun shines
In this winter, I'm alive
In my garden of thorns, darling
Red roses in my life

I found a reason for me
To find this warmth in you
To bloom roses in my dreams
'Cause I see it in your eyes, too

What are we gonna do?
We don't wanna hurt anyone
What are we gonna do?
We are the ones getting hurt

The sun shines
In this winter, I'm alive
Lord's timing
What shall we fear?

I found a reason for me
To find this warmth in you
To bloom roses in my dreams
'Cause I see it in your eyes, too

I found a reason for me
To find this warmth in you
To bloom roses in my dreams
'Cause I see it in your eyes, too
